## COMING SOON...

Inspired by Eckhart Tolle's teachings of love and the Self, as well as the Māori idea of Kaitiakitanga - the connection between people and nature - Love Wings empowers children to work through feelings of anxiety and fear, teaching them that the gift of our love is present and within them at all times, and that they are never truly alone.

Perfect for children embarking on the next stage of childhood and independence - whether it's attending school, kindergarten, adjusted living arrangements, or visiting new friends - Love Wings teaches children that we are always together in our hearts, even when apart.

Expressed via beautifully vibrant illustrations and engaging storytelling which perfectly captures the excitement and busyness of the outside world for little ones who are embarking on it by themselves for the first time.
